European Motorcyclists for Christ Rally 2025

For those who are led by the Spirit of God are the children of God. Romans 8,14

Welcome to the EMC Rally 2025

A place that is more than just a meeting – it is fellowship with God and with one another! A place where people come together to celebrate Jesus, share the Holy Spirit and strengthen one another in the community of faith.

Under the motto «Spirit Driven», we give the Spirit space, allow it to work and explore what drives us. Each in their own words and according to their own experiences, we exchange ideas and share in each other's lives.

What began at the Presidents' Meeting in February 2025 is to become alive and tangible: «We encourage and empower each other to bring God's love to people, because we are united in all our diversity and are one in Christ. In this way, we share God's love and are a blessing for Europe.»

We are a platform, a vessel that carries God's love, complementing and motivating one another. We want to grow together at this rally, serving and inspiring one another!
